RETURN SERVICE REQUESTED

December 31, 2014

Dear Shareholder:

Our Downtown New Orleans Branch, at the corner of Magazine and Poydras Streets, is now open. We are encouraged by the gradual increase in activity at the Branch. When you are in the area, please drop by for a tour and a visit. Pass the word along to your friends and business associates; encourage them to become customers and find out what true community banking and real personal service is all about.

As you look at the performance numbers, you will see that we closed the year with new all time highs in Total Assets, Deposits, Loans and Earnings. As of December 31, 2014, Total Assets were \$557,896,000, up 9.5%, Loans were \$452,870,000, up 14.8%, and Total Deposits were \$466,824,000, up 5.9%. Earnings, after Taxes and Trust Preferred Debt service, were \$5,660,000, resulting in a 12.9% increase in Stockholder Equity to \$52,151,000.

Our Year End Return on Assets was 1.03% with an Efficiency Ratio of 64.78%. During the year, we also reduced our Trust Preferred Debt by \$3,093,000, which will help improve earnings in 2015 and all succeeding years. All of the above resulted in Book Value per share, fully diluted, of \$37.41, an increase of 10.7% over the prior year.

Our Operations Center on Ochsner Boulevard in Covington is now complete and fully operational. This facility was designed to satisfy our present needs, as well as, provide capacity for our expected future growth. The excess space on the first floor has been leased to a good tenant, which will help reduce the operating cost of the building. Going forward, we will no longer be paying rent as we did on our former facility.

We are confident about the future of your Company. With your help and support, it can only improve.

Thanks again,

Richard F. Knight Chairman of the Board G. Chris Keller CEO
